## Director's Message

### Dear Parents, Students and Well Wishers

- Today the real challenge our students are facing is the lack of proper guidance. While many parents and children continue to struggle toward higher studies, it is increasingly difficult for them to do so. MS Creative Higher Secondary School came into existence out of the urgent necessity to address this need of the students. It aims at providing the best of educational opportunities to the most promising and deserving students and enables them to pursue professional courses and contribute towards community development.
- We aim to produce achievers that could shine in the Higher Secondary School Leaving Certificate Examination conducted by the Council of Higher Secondary Education, Manipur as well as in the NEET, IIT/JEE, NDA etc. For the aspirants of NEET, an integrated course shall be introduced right from day one. Not just this, we aim to put emphasis on nurturing achievers in many other fields that acquaints their creative potentials so that they could be enrolled in reputed Professional Colleges in India and abroad.
- During this course of two years, MS aims to integrate foundational course for the aspirants of **Civil Services Examination** conducted by both UPSC and MPSC prioritising on nurturing IAS and MCS aspirants.
- The comprehensive education plan followed at MS integrates modern scientific based knowledge systems along with moral values for a holistic growth and to ensure that students develop confidence and discipline, besides academic excellence. We train our students to take up their rightful place in the global society.
- We understand that entrusting your child's education to us is a profound responsibility – one that requires the full support and collaboration of everyone involved. Our prime focussed is to build confidence, foster academic success and transform into global citizens of integrity and distinction.

**MD NASIR KHAN**  
Managing Director

“

*We aim to build  
global citizens with  
integrity and  
excellence*

”
